

MOTOR CARAVAN BEGINS JOURNEY TO SPEEDWAY

The value of having three of the few nationally designated highways run through Richmond will be demonstrated vividly during the next few days. Hundreds of people will pass over these routes on the way to the Indianapolis races.

Several passed through yesterday and quite a number came through here today.

Each year, a number of people on their way to the races escape the jam in Indianapolis by spending the night in the hotels here and then by driving in to the capitol city early the next morning. The hotels reported today

that they were prepared to accommodate a great many this year.

Restaurants here also profit much from the trade of the speed fans who pass through Richmond.

BIBLE CLASS TAKES UP HEBREWS BOOK

Outline of Bible study under direction of Rev. L. E. Murray follows:

The book of Hebrews in the New Testament is the next study as an interpretation of Leviticus. The author shows the superior excellence of Christianity over Judaism, and that the institutions of Judaism were but "a shadow of things to come." Christianity is superior in

1.—It's Prophet, 1-4:13.
2.—It's Priest, 4:14-8:4.
3.—It's Covenant, 8:9.
4.—It's Sacrifice, 9:10, 12-23.
5.—It's Priesthood, 10:19-22.
6.—It's Tabernacle, 3:6.
7.—It's Holy of Holies, 9:24.

Note—Judaism was national, ritualistic, prophetic, preparatory—Christ in promise.

Christianity is universal, spiritual, final—Christ its author and inspiration.

Feeding Armies at Soup Kitchen

RUSSIAN SOUP KITCHEN

One of the greatest difficulties in the great European war has been the distribution of the food supply. The traveling soup kitchen has solved the problem to a certain extent, and each of the belligerent nations is plentifully supplied with the "boilers." The accompanying photograph shows the latest style Russian soup kitchen, which was taken to France with the Russian troops, who landed at Marseilles more than a month ago.
